It is possible to park in the Old Hall Marshes car park (near 4/25) but this is ONLY available to RSPB members.

History

This cache series was launched on May 23, 2010 at the [Old Hall Marshes Meet and Cache Trail Launch](#).

On December 2, 2011 the multi-caches in the series were archived and replaced with traditional caches. The cache names were also changed to reflect the incorporation of this trail as section 4 of the Essex 100 series.
